

## **Centennial—Canada Report**

Report by: PDG Steve Somerset, Chairperson

Date Report Sent: Jan 24, 2017

Each District Centennial Coordinator reported on Clubs involvement in Centennial Legacy Projects and Centennial Service Challenge activities in December.

In recent weeks we have seen an increasing number of inquiries from clubs who are asking how they may access grant funds for their clubs Centennial Legacy projects. Unless the Club project is going to be a District wide project then the funds that the MD has received for District wide project cannot be used for an individual club's project. Clubs will need to source out where funding maybe available including LCIF.

As a reminder Districts need to get their District Projects finalized as to what they are going to do to promote the centennial throughout their District as soon as possible. We have to submit our final centennial Grant report by May 2017. Any unused funds will be returned to LCI.

District Coordinators need to continue promoting the centennial to all Zone Chairs and Clubs. Furthermore we need to hear about the successes and Legacies being left in our communities

Respectfully submitted  
Steve Somerset
