

2016 International Convention Report

There are approximately 44 Lions including the 9 DGEs and their spouse or companions registered for the Convention in Fukuoka.

EST Patty Allen has registered us in the Delegation Uniform Parade contest. The parade is on Saturday, 25th June, 2016. The delegation's assembly time is **9:30 a.m.** and has been assigned the color **yellow**. When our group arrives at the assembly area, a parade official will direct us to our designated zone.

I would urge our seated DG(s) & DGE(s) to advise those members in your district who will be going to Fukuoka but have not yet registered for the convention; they will be turned away from boarding the shuttles by the local officials at the depot when they can not produce the required document.

DG(s) & DGE(s), please also remind those members in your district who intend to participate in the International Parade that, without the proper MD19 parade uniform, i.e. a white hat, white shirt/blouse, white pants/skirts, white shoes, red vest and red tote bag for lady Lions, they will not be allowed to participate in the march. Though it is the more the merrier, yet the image of MD19 comes before everything and we don't want to see this happened. We are there to represent MD19 in the march and for the fun & fellowship. For the same reason, we should observe the MD19 Delegation Uniform policy too.

The MD19 hospitality room will be at our delegation hotel; the ANA CROWNE PLAZA, and the time will be advised by email to all convention participants later.

A daily bulletin will be issued and is available at the hospitality room. It is labour intensive for MD19 staffs there to deliver it to all the delegates. Please come by to pick one up. If you are staying somewhere else and you are not able to visit the hospital suite, please notify MD19 LCI Convention Chairman of your email address so we can keep you posted of our daily schedule. My duty as your International Convention Chair for the 99th International Convention in Fukuoka is almost complete and I want to take this opportunity to thank VCC Enoch Rowland for giving me the opportunity to serve my Multiple District.

Respectfully submitted,

PDG Kenny Lee
2016 International Convention Chairperson
