We are privileged to be serving as your MD19 Webmaster again this year! It truly IS an honor!

We have been successful in renewing the Domain name for Lionsmd19.com for another 5 years; thanks to a generous anonymous donation.

We welcome the receipt of information for upcoming District Conferences so we can commence advertising them for you, so you have a successful conference.

We continue to appreciate the excellent rapport we have with the MD19 office and staff, in supplying us with information and updates.

Respectfully submitted
Sandra Ball
