

MD19 Leo Report

Report by: Barry Shiles, Chairperson

Date Report Sent: Oct. 6, 2016

Council of Governors Leo Report:

Goals:

- Increase number of Leo Clubs.
- Educate Lions as to the advantages of having and starting Leo Clubs.
- To make sure notice of Awards, Competitions, Grants applications are sent to Lions and Leos in time for all Lions and Leo clubs to submit entries and applications. Call or Notice for entries from MD Office if possible.
- To change the Leo of the Year Award to a District Award while still maintaining a MD Leo of the year Award. We have many Leos who would be eligible and deserving of this award if it were not limited to just the MD.
- To have more of our outstanding Leo Clubs enter and win Leo Club Excellence awards.
- Start the process for a Leo District in the MD.
- Start a Leo Bulletin for all MD Leo Clubs and Lions Clubs.
- Establish better communication about Leos with Leo Chairpersons, Leo Club Advisors, Leo Club Presidents and Zone Chairpersons and District Governors.
- Institute Presidents and Secretary training yearly, Institute Leo Orientation for new Leo members and District Leo Chairpersons.
- Increase Leo Club reporting to LCI.

Submitted Respectfully
Barry Shiles
MD 19 Leo Chairperson
