

## **Lions Quest West**

Report by: PZC Bill Cheaqui, Chairperson

CC AI, VCC Enoch and Council

I regret to say that I have no positive activity to report. I also wish to inform you that this will be my last year of service to the Multiple District in this capacity. If you wish, I will continue in my position for the remainder of the Lion year. Although I truly believe Lions Quest is a good program, there is virtually no support for it in this area. I would like to continue to serve the Multiple District in some other capacity.

Respectfully submitted,  
Bill Cheaqui
