Re: **International Third Vice President Candidate PID Dr. Patti Hill**

I have attached a letter from Past International President Judge Brian Stevenson that is addressed to all District Governors. The letter outlines the unanimous endorsement by the Immediate Past and current International Boards of Directors of PID Patti's Candidacy for the position of International Third Vice President.

While the letter solicits support of District Cabinets I'm sure that the support of the MD19 Council of Governors would be appreciated.

Many of us have had many interactions with PID Patti over the years, Patti is an outstanding candidate who truly will make a significant difference in our association.

If you have any questions, please feel free to contact me directly.
