

Lions of BC Hearing Conservation Society Committee Report

Date: February 1, 2017
By: Surinder Gahir, PCC

Council Chairperson Enoch, fellow Cabinet Members, Lions and guest's greetings.

We, the Lions of BC Hearing Conservation Society are working very hard to provide a one of a kind service to our communities; making it easier to communicate with one another, making life a little better for those who cannot afford hearing aids.

We offer new hearing aids with 3 year warrant and batteries to clients. We still offer 'Refurbished' hearing aids however very few takers.

This year so far we provided eighty (80) Hearing Aids to deserving clients.

We received used hearing aids from most of our districts for recycling. We will be sorting and sending over four thousand (4,000) used hearing aids to Island Deaf & Hard of hearing Center for them to use or recycle.

My friends, we remain deeply grateful for all your help. For more information about our Society and all our programs please check our web site at www.lionsofbc hearingsociety.org

I want to thank all the Lions clubs members, District Governors, Zone Chairpersons and the Hearing Chairpersons for supporting and promoting this great organization.

Respectfully submitted.
