LCIF-BC REPORT by PCC Polly Voon, Chairperson:

"We are deeply saddened with the recent passing of PDG Joan Hunter, who served so very passionately in spite of her health challenges as our MD19 LCIF Coordinator US. She has left a rich legacy and an example of exemplary Lions service on behalf of LCIF.

LCIF celebrates its 50th Anniversary and the completion of its commitment to Gavi, the Vaccine Alliance. Through the generosity of Lions, LCIF has donated US\$30 million to fight the spread of measles around the world. Matching funds from the Bill & Melinda Gates Foundation and the UK Department of International Development doubled the impact of that investment. Millions of children around the world will benefit, and that's truly something to celebrate!

Over one third of clubs have already appointed a **Club LCIF Coordinator** for 2017-2018 and those appointed will retain their positions. For clubs that have not yet appointed someone to this position, the LCI Board of Directors recently approved a policy change that, beginning in the current fiscal year and moving forward, a club's Immediate Past President shall serve as Club LCIF Coordinator. If that person is unable to accept the role, it can be delegated to another club member. Current Club Presidents and Immediate Past Club Presidents will be notified of this policy change and reminded of the opportunity to designate a Club LCIF Coordinator. These Coordinators will receive regular email communication from LCIF, including clear instructions on specific tasks as well as links to the resources needed to complete these tasks. With the launch of the New Service Framework, LCIF leadership is adopting new programs to match the changes and growth in Lions' service. Among these, the most important initiative is a capital campaign to raise funds in support of projects in each area of the New Service Framework. Many details of the LCIF capital campaign and volunteer structure are being finalized and will be communicated as soon as they are available.

Funds raised July-Dec 2017: The total funds raised in CA2 in the first six months of the 2017-2018 Lions year is \$291,456.29 of which \$91,679.12 was raised in B.C., an increase of \$55,237.88 over the same period last year. Based on the overall **target goal for 2017-2018 for CA II Canada** of \$832,116 and the membership of each district, the challenge is for each district to work towards a goal of either US\$23.27 per member or a 20% increase over the 2016-2017 Funds Raised. I believe that we can achieve this if we encourage all our clubs, as well as Lions members to make donations to OUR Foundation. 37.80% or 96 clubs out of 254 have made donations to LCIF so I urge you to work with your District LCIF Coordinators to have 100% of the B.C. clubs support LCIF with donations between now and June 30, 2018.

LCIF Grants – Since 1978, CA2 Canada has received a total of 376 Grants totaling \$15,209,261.00, of which some of these came to British Columbia and benefitted communities in all Districts within B.C.

LCIF Chairperson, Immediate Past International President Chancellor Bob Corlew was the keynote speaker at a **Tribute to 50 Years of Lions Clubs International Foundation Dinner** in Vancouver, B.C. on January 13th, 2018.

DISTRICT GOVERNORS – We **CAN** meet our goals by the end of this 2017-2018 Lions Year! MD19 has been fortunate in receiving many substantial grants and to ensure that LCIF will continue its unwavering support of Lions' compassionate works around the world whenever the need arises, we **MUST** encourage our members and clubs to support LCIF generously. Your District LCIF Coordinators stand ready and willing to do their job within your Districts on your behalf so please call on them and give them opportunities to promote LCIF.

LCIF is OUR Foundation!"

We are within \$5,000 of last years' dollars raised!!! With this being the LCIF 50th Anniversary our objective is to raise the number of individual contributing members.

What do over 50,000 Lions have in common each year? They become Contributing Members by donating at least US\$20 to LCIF.

The Contributing Membership program is an annual program that recognizes individual donors for three levels of support: US\$20, US\$50 and US\$100. Contributing Membership donations are Melvin Jones Fellowship eligible and are used to support LCIF humanitarian grant programs.

Contributions can be made by completing the <u>Contributing Member form</u> and mailing it to LCIF. Donations can also be made <u>online with a credit card</u>. Remember, donor name and member number is required for proper recording of MJF credits.

This is YOUR worldwide foundation!!! Invite your coordinator for a presentation.

Go on line to www.lcif.org and donate!!"

MD19 LEO REPORT by Barry Shiles, Chairperson:

"'Leo of the Year' nominations are due March 1st. District Governors have you sent in your nominations? I haven't heard from any LEO Advisors, so I have no idea if any have been sent to District Governor's or on to Council Chairperson Jon. Last year we had five nominations, and my goal is to have one nomination from each district. Our MD19 Nominee and accompanying paperwork needs to be in to LCI before April 1, 2018.

Lions Clubs International Leo Club Excellence Award nominations are also due shortly. Has anyone sent a nomination for the 'Top 100 LEO Awards' to our International President Aggarwal? We must have some outstanding LEOs eligible for this award.

The Leo Essay contest, sponsored by the MD19 Lions Service and Leadership Foundation, is in full swing. I'm not aware of how many essays have been received, but LEO Advisors please look at presenting the Essay contest to your LEOs.

A LEO's Convention/Forum is being held in New York, NY, August 1-5, 2018. The cost is US\$645 per LEO. The cost includes hotel, meals, seminars, and tour of the United Nations and New York City Hall. Last year, even with much encouragement and promotion, no LEO from Canada attended and only 69 LEO's from our combined Lions Area 1 & 2. It would be nice if this LEO Forum could build into something special.

LEO Clubs will need to hold their elections before the end of April, 2018. Please let LCI know who the new LEO Officers will be and any new members. Remember, if we don't get new members, Leo Clubs may fold.

Last October, in my MD19 Committee Report, I ventured a recommendation to include the 175,000 LEOs World Wide as full members in our Lions Association. Perhaps now is the time to make a motion that the 175,000 LEOs worldwide be granted full membership in our Lions Clubs International Association and send it to the International Board of Directors of LCI, from the Council of Governors of MD19. This would bring our Associations membership to 1,625,000 million members.

Our District LEO Chairpersons are working to build our LEO Club numbers. Currently, in MD19 we have 55 LEO Clubs with 1022 LEO members. We have 11 LEO Clubs reporting zero members, (which can mean that they aren't sending in reports or the clubs no longer exits and haven't been reported as cancelled), and 13 clubs reporting five or less members. These 13 LEO clubs give us a little more hope, but I'm not sure they are being reported properly with LCI. This magnifies the problem of communication and paperwork not being done and illustrates the time commitment required from a Leo Advisor to properly supervise a LEO Club.

It is my intention to set up a new protocol concerning the reporting of LEO clubs service activities and membership. I expect to be severely beaten by my loving fellow Leo Advisors, but we need to improve every aspect of Lions/Leo activities one step at a time."

LIONESS REPORT by PZC Linda Shaffrick, Chairperson:

"The Lioness clubs for MD19 are all keeping busy.

There are 14 Lioness clubs in MD19 with approximately 250 members. We have lost some members due to moving and deaths, but the clubs are working on getting new members. The Westbank Lioness Club has folded.

The clubs are now in full swing and have been busy since the last report

A brief overview of the some of their activities for this report: bingos at Seniors homes; helping baby and blood donor clinics; knitting for homeless women; assisting the Salvation Army; Boys & Girls Club; Foster Family gift wrapping; making blankets for New Hope; preparing turkey dinner for seniors; craft fair; serving lunch to the homeless; making and filling 'Santa' sacks; helping at breakfasts with Santa; shopping spree raffle; writing Christmas cards for the troops overseas; Christmas gift wrapping; collecting used eyeglasses; assisting at the Red Cross loan cupboard; knitting shawls for care homes; tray favors for hospital and care homes for holidays; arena concessions; doing the registrations for the Mammography van; Christmas caroling with the fire department; catering for funerals; muffin program and delivering hot lunches to elementary schools. This is naming only a few of the many projects that the Lioness do. (some clubs have not sent in reports) Hours: 3850

Donations were made to: Diabetes and Easter Seal camperships; Salvation Army; Blind; Women's shelter; school band; food banks; Christmas hampers; cancer; fire departments; crisis centre; Camp Shawnigan; medical assistance; drug awareness books for grade 5; Gleaners 'sock' program for third world counties; and many more worthy causes. Donations - \$60,400.00

The clubs are now geared up for the second half of this Lions year.

We Serve Too"

LIONS PROJECT NEW HOPE REPORT by PZC Pat Bucknell, President:

"Lions Project New Hope would like to convey our heartfelt thank you to the Lions Clubs of District 19 for the donations awarded to our organization. These funds provide our military Veterans the needed training and support to overcome Post Traumatic Stress and other mental health issues.

To thank these brave men and women for their service and sacrifice, we offer programs uniquely developed to strengthen their relationships, define their purpose, and build hope for the future. The grants we receive enable the Lions to continue with the retreats, workshops, and family camp--which are at NO COST to the Veterans and their families.

Number of adults, children, and volunteers attending retreats since 2010:

YEARS	ADULTS	CHILDREN	VOLUNTEERS	RETREATS
2010-2017	274	286	270	24

Our Mission: To provide families with professional guidance and education to assist with the stresses related to combat trauma.

The Lions, through their established partnerships with Veterans' support organizations, such as the Pacific Northwest-Post Traumatic Stress Disorder Foundation of America, and trained professional PTS/Mental

Health mentors offer assistance that addresses collateral damage and the mental health issues facing the veterans, spouses and children of veterans.

We greatly appreciate the support the Lions Clubs of District 19 have given us over the years. Your continued support through donations is crucial to the success our mission. Our first Caregiver retreat this year is March 2-4, 2018. If you would like more information on Lions Project New Hope, please contact us via email at projectnewhopenw@gmail.com or you may call/text Isabella Colvin, Vice-President of Operations at (337) 516-8738."

YOUTH EXCHANGE REPORT by PDG George Robison, Chairperson:

"There is a lot of confusion within MD19 as to the difference between the Youth Camp and Exchange Committee, commonly known as the Youth Exchange Program, and the Youth Exchange Foundation of Multiple District 19. First, both of them are separate from any District Youth Exchange Foundation such as exists in 19B. The fact that Lions in 19B help in all three programs does not mean that the programs operate together, although they do cooperate one with another. Of necessity there is some common leadership between all.

In MD19, the Youth Exchange Program has two components: the MD19 Youth Exchange Committee made up of the MD19 chairperson and the district chairpersons, and The Lions Youth Exchange Foundation of MD19.

The MD19 Committee conducts the actual exchanges following rules established by Lions International, as set forth in the LCI Youth Camp and Exchange Policy found at http://www.lionsclubs.org/resources/EN/pdfs/yce_policy.pdf. The Committee finds hosts for visiting youth and arranges visits by local youths to other countries. This committee spreads the word about Youth Exchange and encourages participation. When fully functional, the committee has Lions who coordinate such things as travel, exchange applications and the work that matches travel preferences to either home stays, camp stays or a combination thereof. The ideal is to have a travel coordinator for each major area of the world, such as each continental area. Due to the death or resignations of Lions who performed those functions for many years, currently travel arrangements are made either by clubs or families. In some cases the district chairperson makes all arrangements.

The Lions Youth Exchange Foundation of MD19 is a Washington State Charitable Corporation that is approved by the Internal Revenue Service (IRS) under IRS Regulation 501(c)(3) as a public charity. Donations to the Foundation are tax free for the donor and the Foundation. The primary purpose of the Foundation is to aid participation in the MD19 Youth Exchange Program by paying for some of the costs of the program. It provides scholarships, stipends to host families, recognition awards, banners and pins and other costs associated with the MD19 YE Program. Each Lions Club is encouraged to budget a donation every year since the only source of funds is from donations. Although it would be nice to receive something from every Lion in the Multiple District, it isn't happening. There are over 11,400 Lions in MD19 and 25 cents USD a year would bring in \$2,850 a year and provide adequate funding into the foreseeable future.

This year, for the first time, the foundation awarded two scholarships - a total of \$1,500 - for two young ladies, travelling to Italy and Australia. As knowledge of the scholarship program spreads it is likely that more applications will be received. The goal is to increase interest in Youth Exchange and to provide Lions Clubs with a tool to perhaps attract younger members.

Although there were other foundation expenditures this year, none were for the cost of travel or other expenses of the committee and foundation members who make the program work. There was a cost of \$725 involved in getting the foundation status reinstated by the IRS and corrected from a Private Foundation to a public charity. Due to the treasurer in Canada not being familiar with IRS requirements, no annual report was filed for well over three years. Tax filing is now current and the foundation is in good standing.

Last December nine youths from Australia arrived in MD19. They stayed with host families in several districts, experienced snow at Christmas, rather than going to the beach and had a wonderful time. We are now seeking hosts for youths from Germany, Italy and Finland for the coming summer."

MD19 FOUNDATION REPORTS

CANADIAN CLERC REPORT by Barry Shiles, Chairperson:

"Lions collect glasses to help the blind and sight challenged. We all know this, but I want to tell you of an instance that occurred recently when I went to have my eyes checked.

I am a diabetic, requiring my eyes to be checked every year. During the exam, I asked my doctor if he had been on any Sight Missions lately. He replied that, yes in fact, he had just returned from Nepal, Kathmandu, and had done about 1000 eye exams and eye surgeries. I then told him I was the Lions CLERC chairperson for B.C., to which he replied that they got their glasses from CLERC in Calgary.

Now, why am I telling you this? When we collect glasses, we've no real idea what occurs when the glasses leave our hands. Yes, we package them for delivery, but what happens after that? They are shipped to Calgary where they are graded, cleaned and packaged for a mission trip to another part of the world where the glasses are sorely needed.

HOW DO WE DELIVER SERVICE: Last year CLERC had a \$25,000 deficit and needed a Gaming Grant/Casino night to cover expenses. Please consider making a donation to CLERC to help them recoup those expenses. We also need to keep our shipping partners private so that only Lions know who our shippers are although there are well-meaning people who send glasses to them and we cannot afford to lose them as carriers. They do not sort, clean or package glasses – that's our job! They are carriers only, and we are very fortunate that they do so at no cost to us.

Keep up the good work Lions."

LIONS OF BC HEARING CONSERVATION SOCIETY REPORT by PCC Surinder Gahir, President: Council Chairperson Jon, Fellow Cabinet Members, Lions, Lioness, Leos and guests, greetings.

Lions of BC Hearing Conservation Society is working very hard to provide a one-of-a-kind service to our communities; making it easier to communicate with one another while making life a little better for those who cannot afford hearing aids.

We offer new hearing aids with a three-year warranty and batteries to clients. We offer 'Refurbished' hearing aids as well.

The three hearing aid providers we have a contract with are: NexGen Hearing Connect Hearing

HearingLife Canada

This year we provided eighty-nine (89) Hearing Aids to deserving clients. We have made some changes to the delivery model this year and some more changes will come after discussions at our AGM in May.

Most Clubs are still collecting used hearing aids for recycling. We sort and sending them to Island Deaf & Hard of Hearing Center for them to use or recycle.

My friends, we remain deeply grateful for all your help. Our web site is being updated and will be off line for a short time. For any information please send me an email at governor.gahir@gmail.com

I want to thank all the Lions clubs members, District Governors, Zone Chairpersons and the Hearing Chairpersons for supporting and promoting this great organization."

NORTHWEST LIONS EYEGLASS RECYCLING REPORT by Kerby Kee, President:

"I sincerely hope the Council of Governors had a joyous holiday.

We have been busy at NWLERC, with eyeglasses coming in and glasses going out on missions. We have been working with Harborview Medical Center where indigent patients with impaired vision are cared for. Ophthalmologists write prescriptions after testing. Patients are advised to go to 'Eye on James' optometric center where opticians fit them with used eyeglasses that are provided by NWLERC. We have sent 477 pairs of glasses on two missions to 'Eye on James'. I believe this is the only time that used prescription glasses have been provided since the state passed a law allowing it. Hats off to Lion Fred Minifie for setting this program up.

We received a grant for \$10,000.00 from the Nisqually Indian Tribe towards our building fund.

As of December 1st we have received 79,333 pairs of glasses from Lions clubs. We have sent 3,478 eyeglasses on 12 missions since July 1, 2017 and a total of 296 missions since our inception. Lions clubs have collected for LERC 2,285,122 pairs of glasses since 2004.

We are a financially secure foundation with our property free and clear.

CARE REPORT by PDG Erma Kemp, Chairperson:

"I want to thank those of you who have made a CARE donation. Hopefully, you have read my report in the Border Crossing.

Our CARE donations are really down this year. Governors, this is a program you have selected. This is our second year in supporting an educational project for girls in Peru. Education is one way for these girls to be able to better themselves and their families.

I am really disappointed that you Governors aren't promoting this important project. Our giving so far is less than half than the year before. You *chose* this project. It is our MD project. So I will encouraged all of you to do a better job of selling it.

We still have time and I know some Clubs haven't sent in their money.

Read your Roster and notice that on page 10 it tells of several options. Also, read my articles of encouragement in the *Border Crossing*.

Please, let's make a better showing.

We CAN We CARE"

ENVIRONMENTAL REPORT by Dr. Nancy Messmer & PCC Enoch Rowland, Chairpersons:

"As the Environment Chairpersons for Multiple District 19, we work to encourage Lions to include environmental projects in their array of service projects, and to highlight the good work that Lions are doing. We are working to create Environment Teams in our District, to best meet our goals. We ask District Governors to include seminars or work projects at conferences and meetings that inform Lions of great service ideas and projects. We hope to engage Lions throughout our Multiple District of Washington, British Columbia, and N. Idaho in activities throughout the year.

Protecting Our Environment is a service goal that represents countless hours of work currently for Lions, Lioness, and Leos. It is also a bridge to more members in the future as Lions work together and in partnership to ensure that future generations inherit a livable world. The LCI website is being constantly updated to be more responsive to member needs. It presents a cornucopia of project ideas, media, and support materials to assist Lions in planning and reporting Environment projects: http://www.lionsclubs.org/EN/member-center/planning-projects/community-environment/index.php.

Here's a quick picture of progress to date on Centennial Goals. See the back page of this report for a handout from LCI. Please share these Project Ideas with Lions.

Contact Us. We will assist with project planning, displays, workshops, connections, newsletter articles, Facebook entries, ideas, and links.

ACT // BEGINNER

- Plant trees. Consult your local environment authorities to determine the type and number of trees needed, as well as the location for planting.
- Meet on a monthly basis and clean up a beach, community space, or roadside area as a club.
- Hold an environment themed photo contest at a local school. Reward the winner with a tree planted in their honor or another green form of recognition.
- Challenge all Lions in your club or district to add at least one green habit to their daily lives. Inspire others by sharing your actions on social media. Habits might include:

Using a reusable water bottle or coffee mug rather than disposable products.

- Changing to energy-saving lightbulbs.
- Setting a time limit for your shower to reduce water consumption.
- Develop a Green Living Tip Sheet and share it electronically with members of your community or network.
- Recognize a local organization or community leader for their efforts in environmental conservation.
- Calculate your carbon footprint with an online calculator. If your footprint is bigger than you would like, purchase carbon credits that are Gold Standard Certified and brainstorm ways you can lower your carbon input.
- Volunteer with your local park service to maintain trails. You will help more people access and enjoy nature!
- Commit to 'Meatless Mondays', or not eating meat one day each week.
- Collect used cellphones and donate them to individuals in need.

ACT // INTERMEDIATE

- Lead an after school nature walk for young students. Encourage them to make observations and ask questions, then have them draw a picture of their experience afterwards.
- Host a community viewing of an environmental film or documentary.

- Save water by surveying your homes and community for leaks in sinks, communal spigots or water fountains. Contact relevant officials if repairs are needed.
- Work with city officials to paint "no dumping" signs near road drainage areas.
- Identify where to recycle toxic items and share/advertise its schedule of collection campaigns.
- Organize an environmental mural competition. Paint the winner's artwork in an appropriate area to beautify your community and promote environmental awareness.
- Implement a community recycling drive where people donate gently used items to charity organizations.
- Share a meal with students at your school. Afterwards, teach them how to sort their recyclables and trash.

ACT // ADVANCED

- Develop a demonstration garden or landscaping plot using native plant species to encourage restoration of the local natural habitat and water conservation.
- Sponsor a training program for small farmers on how to make and use organic fertilizers and pesticides.
- Produce a monthly nature program on the local public radio station. Feature environmental topics of local interest, interview environmental activists in your community and promote Lions environmental projects.
- Host a public debate on controversial environmental issues in your community. Share the results with government officials.
- Partner with a local carpenter (or use a DIY tutorial) to build a rain barrel. Then, hold a training with community members to promote using barrels for watering and irrigation.
- Organize an alternative transportation incentive program in your community to encourage walking, biking, public transportation and carpooling.
- Work with local schools to establish organic school gardens and a composting program to improve the quality of school meals and reduce waste.

MD19 LIONS SERVICE & LEADERSHIP FOUNDATION REPORT by PCC AI Beddows, President:

"Who are we?

We are a foundation that was set up by the Council of Governors' in 2003 to manage a \$600,000 bequeath under the name of Multiple District 19 (MD19) Lions **Service** and **Leadership Development** Foundation. Our Board is made up of Lions representing all Districts of MD19 and one non Lion. The original \$600,000 has now grown to over \$1,000,000.

Our mission as created by our Foundation Board:

To provide education and leadership training programs for the development of tomorrow's leaders in school, community, business and service organizations.

We are supplying assistance for the Leadership Development Course (old Leadership -101), subsidies for Lions to attend the Lions Leadership Institute, district and zone officers training funding. We pay for the Go-to-Meeting contract that allows online training of our Vice District Governors.

As I stated at the last Council of Governors' meeting, the Foundation Board is now looking for ideas on how the foundation can also contribute to the area of service. Our intention is not to finance the many service projects of a club, but more to the education of service the Lions do in their community and districts.

One of the projects we considered was to supply some funding to each district to conduct open houses. We kicked that concept around and felt it did not fit with our mission statement.

What we are now considering is to partner with the Northwest Lions Leadership Institute to offer some of our new graduating leaders some funding to carry out a service project. This will give them some leadership experience and an opportunity to go back to their clubs with a service project and funding. We will try a trial program at this year's institute. (May 10th)

Another project is the Youth Essay contest. Information regarding this contest is at the end of my report.

The Leadership Development Course: Just a reminder that to qualify for the \$500.00 grant, your proposal has to be submitted 60 days prior to start of course.

We will be modifying our constitution and by-laws to make room for the new (G.S.T - Global Service Team) position on our board.

As you know, we sell scarves, ties and other paraphernalia. This year we are purchasing tables at your conferences in hope of selling more of our stock. If you have someone from your conference assist us, we are offering each District Conference 25% of sales as an incentive.

Just a reminder, we sold \$1,500.00 worth at the MD Convention.

PZC Clara Chow is working on a Partnership Program that will offer Clubs and Lions the ability to purchase a foundation pin. This can be used similar to the Judge Brian Stephenson Medal to honor a Lion for leadership and service. More details to follow.

Thank you all for your service and your leadership. We are here to assist you. 4 MD19 LIONS LEADERSHIP FOUNDATION

NORTHWEST LIONS FOUNDATION REPORT by Bill Lundin, Trustee Chairperson:

"It is with great pleasure that I present some great news on the growth of SightLife and the Northwest Lions Foundation for 2017.

SightLife continues to not only serve the Pacific Northwest with outstanding service, but has reached incredible annual domestic growth, with over 20,000 corneal transplants and 3,600 in the Pacific Northwest.

In addition, we will provide an additional 18,000 corneal transplants to needy people in our global program.

Many of these International programs are collaborated with Lions in India. Of particular interest is the growing physician and community health worker training program. These programs greatly improve follow-up care in rural areas.

SightLife completed an operating agreement with the Lions Eye Bank of Texas at Baylor College of Medicine (LEBT). We will be working with the Lions in the Houston metro area.

SightLife's growth has significantly helped our Foundation. This year, SightLife's financial support exceeded \$400,000. These funds go directly to our Lions community service programs.

The Northwest Lions Foundation major accomplishments for 2017:

- Washington State Board of Health approves NLF recommendations for child health screenings.
- Over 40,000 children and 1,200 adults in Washington and Northern Idaho screened for sight and hearing loss.
- New mini-mobile screening units launched in Districts B & E.
- We have hired Martin Rowland as a part-time driver to help Mike and Pat Parker on the larger LHSU.
- The Foundation's Patient Care Program helped 11 people with vision therapy and cataract surgeries
- Kaiser Permanente awarded an additional \$40,000 grant to NLF for community health screenings.
- \$120,000 in grants were awarded to non-profit sight and hearing related organizations in Washington State.
- Hundreds of low income patients given state-of-the-art digital hearings aides, in collaboration with The Starkey Foundation.
- **The NLF, for the first time, awarded a \$10,000 grant to District I for a diabetes awareness program.

In closing, The Board of Trustees of the Northwest Lions Foundation would like to thank all the Lions and Lions Clubs in MD19 for their continued support of White Cane Days. Our totals for the year exceeded \$115,000. Thank you for your support as we continue to review and improve our services to your clubs and communities."

2019 USA / CANADA LEADERSHIP FORUM REPORT by PID Anne Smarsh for PDG Laura Wintersteen-Arleth & PZC Ed Brandstoettner, Co-Chairpersons:

"We have met with the General Chairperson of the Forum, Paul Bledsoe, his wife Nancy, and Visit Spokane liaison, Amy Cabe. We toured the convention center and the layout of where meeting rooms and banquet rooms will be. This is a great facility. There are so many extra activities close to the convention center. Contracts have been signed with all entities involved and hotels.

We have sent emails to the district leadership. We would like to have district representatives to help promote the Forum in your districts. We are also planning on attending most of the Spring Conferences this year and the MD Convention in the fall. We will be having a table with info on the Forum. Please stop by and visit.

Biggest needs right now:

USA/Canada Lions Leadership Forum in Columbus, Ohio, is Sept 20-22, 2018. We are need of people who will go and staff our registration booth. We need about 70 people who will be at the booth to help with early registration for our Forum. The more we can register early, the better off we are.

Ideas for a fundraiser. We do have some sponsors, but we are needing to raise money for the committee. If you have ideas for a fundraiser, let us know.

Forums have the purposes of:

- Promoting the principles and objectives of Lions Clubs International
- Training, educating and motivating district and club officers
- Providing for exchange of information and discussion of service activities, including opportunities for cooperative service projects
- Advancing the interests of the Lions Clubs International Foundation

All Lions in the constitutional area in which the forum is held are invited to participate.

The USA/Canada Forum will be held in Spokane, September 19-21, 2019—Mark your calendar! MD19 is the host multiple district. We need Lions from around our multiple district to help in an array of positions. This event will take many volunteers to make it successful, so we are counting on each of you to help us. This is a huge honor for our multiple district. Please contact Laura or Ed if you are interested in attending the Forum in Columbus to help show our pride and help staff the registration table for Spokane. Also contact us if you have an interest in being involved during the Forum in Spokane.

Thank you in advance for your willingness to assist. Please feel free to contact Ed, or me, if you are interested in assisting in this wonderful event.

NORTHWEST LIONS LEADERSHIP INSTITUTE REPORT by PDG Kathy Crawford (Oral Report):

How many of the district currently have members registered to attend the Lions Leadership Institute coming in May? It will be held May 10-13, 2018, at the University of British Columbia, Vancouver, B.C. We have a great team working very hard to put everything in place. We have some flyers, which we've distributed to you to take back to your Lions.

Currently we have 30 students registered, and we have a limit of 60 individuals. So, if you know of someone in your district that would benefit from attending the Institute, please feel free to pass along the information so they can get signed up to attend. You can also let Mike Peterson, Jan Weatherly, Art Weatherly and myself know as we'd also be happy to reach out and contact them.

If there are members attending who do not have a passport or an enhanced driver's license, they'll need to take care of that soon in order to be able to cross the border into Canada to attend this amazing training course!

Most the students registered thus far, not surprisingly, have been from district A. We are, for the first time, holding this event in Canada, hoping we would see more Canadian students.

So, I just wanted to promote this now and ask that you go back to your districts and heavily promote this institute there as well.

You'll be seeing more from us via Facebook, newsletter articles, etc., coming at you as we'd like to have students sign up as soon as possible.

The MD19 Lions Service and Leadership Foundation is once again offering fee reductions. All of the registration process is online this year at www.nwlli.org

District Governors Bill Karcher, 19-G, Ron Smircich, 19-C and Crystal Walk, 19-F shared a special and fun event that happened in their districts.

MD19 STANDING COMMITTEE REPORTS

BUDGET AND FINANCE REPORT by PDG Brien Patton, Chairperson:

"The Budget and Finance committee met via a Go-to-Meeting on Friday, February 9th. We reviewed the budget and are proposing the following changes to the budget. The proposed numbers are column I.

A few of the bigger proposed changes are as follows. Line 24 Grant for EST training was for up to \$17,000 we only used \$13,029 so that is what we received. Line 107 Memorial Garden Expense budgeted \$1,000 used \$7,069. Pond and irrigation project money was received last year but work was done in this year's budget. This line in the budget is why we are presenting a deficit budget. If the money raised for the project

would have come in this year, or the work done last year we would be presenting a balanced budget for the year.

Line 148 Receptionist/Bookkeeper we had to give a pay raise to \$11.50 as the minimum wage in the state of Washington went up to that amount. Next year minimum wage will go to \$12.00. Line 146 Admin Assistant. We, the Committee are proposing a pay raise to \$14.00 per hour for Michele. With the change in minimum wage each year and the fact she hasn't had a raise in a couple of years and she deserves the raise. Part of the increase will be covered by paying less for medical as the difference in age of the EST. Sorry Patty.

That covers the bigger proposed changes. I would like to thank my committee and EST Peter for their work on the Budget. PDG Bob Ayotte for setting up the Go-to-Meeting and retired EST Patty Allen for training us so well.

CONSTITUTION & BY-LAWS REPORT by for PCC Larrie Taylor, Chairperson:

"PDG Steve Noble, Elections Chairperson for the 2017 Annual Convention in Surrey, B.C. has made the following recommendations:

- 1. As the elections chairperson I recommend the COG continue the new format on a trial basis for the MD19 Convention in 2018 in Whistler, with two changes:
 - a. Provide a room for certification and voting.
 - b. Eliminate certification and voting Friday evening.
- 2. As the elections chairperson I recommend the MD19 Constitution and By-Law committee prepare a proposed change to the Constitution and By-Laws and to the operation manual to be voted on at the MD19 Convention in 2018. The changes would reflect the new format with two changes.
 - a. Provide a room for certification and voting.

b. Eliminate certification and voting Friday evening.

To address the issues raised by PDG Steve, it would appear we have to amend Article 1 BL. While proposing these amendments, it provides an opportunity to address some deficiencies in the current Constitution and By-laws.

Changes shown in Red; Comments to clarify why an amendment is proposed are in green.

ARTICLE I "BL"

Election of Multiple District Officers and Voting on Amendments to Constitution and By-Laws

A list of the nominations for the offices of Council Chairperson and Vice Council Chairperson of the Multiple District shall be furnished by the Multiple District Executive Secretary-Treasurer to the Election Committee.

Replace with the following:

SECTION 1. Voting for the Offices of Council Chairperson and Vice Council Chairperson shall occur at each District's Spring Conference as explained in ARTICLE IV "Officers" SECTION 3 b. SECTION 7 Renumbered to SECTION 5.

A majority of the votes on any ballot, exclusive of blanks, shall be necessary for election to any office. (Moved to ARTICLE 1 "BL" SECTION 1. above) SECTION 7 (Renumbered to SECTION 5)

See Article VIII, Section 1 of the Constitution for the requirements to pass proposed amendments to the Constitution.

See Article XI BL Section 1 for the requirements to pass proposed amendments to the By-Laws.

Move SECTION 8 AND SECTION 9 of ARTICLE I 'BL' to ARTICLE IV 'Officers' as letters c. and d. See below:

ARTICLE IV 'Officers'

Add to Section 3.b. as the last sentence the following:

- b. Voting for these Officers shall occur at each District's Spring Conference ...the counting of the ballots will be within seven (7) days of these last District Conferences. All candidates but the two candidates with the highest number of votes will automatically be dropped and a second and subsequent ballot shall be taken by email vote of the clubs in each district. CONTESTS AND AWARDS REPORT by PDG Janet Rinehart, Chairperson:

"At the October 12, 2017, Council of Governors meeting a motion made by PDG Shelley Costello and seconded by PDG Alan Guy, was approved to remove Musical Comedy, Musical Performance and Humorous Story from Contests and Awards. In January, 2018 a letter was sent from the MD19 Office to our District Governors with the following paragraph: 'This will be the last year that the following will be required at your District Conference/Convention: Humorous Story; Musical Comedy and Musical Performance. The 2017-2018 Council of Governor's voted to remove them from the MD19 Contests and Awards, effective the 2018-2019 Lions year'.

This motion took these three categories from the purview of the Contest and Awards committee.

At the same Council of Governors' meeting, the rules for the <u>Lions in Action Photo Contest</u> were approved with the exception, per a suggestion by Council Chairperson Jon Whitman, that the rules be updated with a new date of April 1 for Club entries to be received by the District Governor and June 1 for

MD19 to receive those winners and also to add 'legal' when referring to Guardian's permission. Those changes / addition have been made and are now in the Lions in Action photo contest rules.

MD19 Lions in Action Photo Contest Rules

All entries must be received by the District Governor on or before April 1. The District Governor will select, or will ask the District Contest & Awards Chairperson to select, an impartial group of judges to select the District winner(s).

- A Club's Lions in Action photo must show a minimum of three (3) Lions from their club.
- A Zone's photo of Lions in Action must include Lions from a minimum of three different clubs of the same Zone."

PDG Janet Rinehart announced the winner of the 2018 MD19 Peace Poster contest – District 19-I sixth grader Alexander Green, 11 years old from Rock Heights Middle School. He was sponsored by the Gordon Head Lions Club, I-3.

District Governors Joyce Boyle, 19-I, 1st VDG Bob Nordland for 19-A and Wanda Carisse, 19-D shared a special and fun event that happened in their districts.

INTERNATIONAL PARTICIPATION REPORT by PID Don Shove, Chairperson:

"Lions Day at the United Nations International Assistance Grants International Youth Camps and Exchanges International Cultural Exchanges Club Twinning

For decades, Lions have accepted the challenge TO CREATE AND FOSTER A SPIRIT OF UNDERSTANDING AMONG THE PEOPLE OF THE WORLD. Our 46,000 clubs and 1.35 plus members make us the world's largest service club organization. We are also one of the most effective. Our members do whatever is needed to help their communities.

Considered alone, a single project of a community may seem of minor significance; but when added to the projects of hundreds of communities and millions of people working together, the sum total reflects the magnitude of the program's significance as an instrument for International goodwill and peace."

<u>MOTION</u>: A motion was made by PDG David Walk, 19-F and seconded by District Governor Harry Lippincott, 19-E for the Council of Governor's to endorse PID Brian Sheehan as 3rd International Vice President. Motion passed.

STRATEGIC PLANNING COMMITTEE REPORT by PZC Jane Beddows, Chairperson:

"The Strategic Planning committee members are: AHI – PDG Judy Portas; BCG - PDG Jan Weatherly; DEF – ZC John Mentor and Member at Large from D – PDG Norma Bent.

At the Annual Convention in Surrey, B.C., the Strategic Planning Committee met several times, spending quite a bit of time to come up with an idea that would benefit all areas and Lions of the Multiple District. The final outcome was to hold a brainstorming session involving the DG's, VDG's and Zone Chairpersons and any other Lions who have a vested interest in supporting and growing the Lions membership in the Multiple District.

Plans were set in motion, a date and time booked, a facilitator selected and contacted......then along came John.

Vice Council Chairperson John Kirry had an idea to hold a planning session on the very same day and at the very same time. Can you say great minds?

After meeting with VCC John and discussing the situation, it just made sense to work together and a Planning Session made even more sense as the VCC needs to be forward thinking and plan for his year.

The Strategic Planning Committee was invited to attend the Planning session on February 24, 2018 and, speaking on behalf of the committee, will do all they can to help the process."

Meeting recessed for break at 9:40 AM Meeting resumed at 9:55 AM

DISTRICT SUPPORT TEAM REPORTS

MOTION: A motion was made by District Governor Harry Lippincott, 19-E and seconded by PDG Glen Barry, 19-E to accept District Governor Wanda Carisse (19-D) for the position of Global Leadership Coordinator for the term 2018-2021. Motion passed.

<u>MOTION</u>: A motion was made by District Governor Wanda Carisse, 19-D and seconded by PDG Simon Yau, 19-A to accept PZC September Stokes, (19-H) for the position of Global Service Team Chairperson for the term 2017-2020. Motion passed.

GLOBAL LEADERSHIP REPORT by PDG Bob Ayotte, Chairperson:

As indicated in the past year, one of my goals was to suggest some changes to the MD19 Policy Manual regarding my position as Leadership Coordinator and to realign the Policy Manual to the reality of what is being done. That goal has now been completed.

Upcoming this spring on May 31 through June 2, the District Support Team will be conducting a training program for District and Zone Officers at the University of British Columbia – Vancouver Campus. Some minor tweaking will be made to the training content from previous years, aligning with comments given to us from the attendees of last year's training sessions and as per the training team's comments at the end of that In-Service last year.

Goals and Action Plans have been submitted to Lions Clubs International regarding training expected to be done by the Training team for MD19. The seminars at the MD19 Annual Convention were completed successfully. Upcoming will be local training of Club Officers, taught in a variety of ways, such as District Conference Seminars, and other venues, even on-line presentations. These will normally be done by the Global Leadership Team - District for each District.

The main difficulty this past year has been the failure of any resolution on what to do about the Regional Progress and Planning Meetings. At the time of the writing of this report, a meeting is scheduled to take place on Friday afternoon, prior to the Council of Governors meeting on Saturday morning and afternoon. I hope to include some information and perhaps final determination of what will be done in the coming year, during my personal report to this Council. I hope that there could be a resolution on what to do with this.

Governors, I ask that each of you please have your GLT-D's prepare their reports for final submission to LCI. Also, they should be preparing their Goals and Action Plans for training till the end of the year, including a simple training plan for Zone Chairpersons. Collectively, as in the past several years, MD19 will be the recipient of those funds to assist with the budget for the District and Zone Officer In-Service Education. As you are quite aware, the GLT-D position has now been shortened to a year in length, same as all other Cabinet Chairpersons.

1st Vice District Governors, as part of your LCI District Governor training, you have been tasked to think about who will be on your team for next year. Please remember that, even though this position is now only for one year, it can be a continuation of the fine work that has been done by your present GLT-D or a recent GLT-D, whom you were quite satisfied with. But, please don't exhaust them by having them stay for more years than is comfortable, either for their health or for the health of the District."

FACILITATOR DEVELOPMENT TRAINING REPORT - No Report

LEADERSHIP DEVELOPMENT COORDINATOR REPORT - No Report

TRAINING REPORT by PCC Al Beddows, Chairperson:

"Training of our future Leaders is an important task of our Multiple District. It is important that the training be consistent throughout our Multiple District.

This is why we set up training programs like the Leader Development (old 101) and membership 201. As well our Secretary's and president training programs is the same for officers in Troy, Idaho as it is in Prince Rupert B.C. No District stands alone.

Our latest training for out incoming DG, VDG and ZCs will be conducted at the University of British Columbia in Vancouver B.C. May 31-June 3rd. We will endeavor to have the best instructors with the most up to date information. These individuals are the future of our Multiple District."

PUBLIC RELATIONS REPORT by PDG Kathy Crawford, Chairperson:

"We are in the midst of another Spring Ahead Membership Drive.

We are using Facebook, AWeber, the *Border Crossing*, the Membership website, wristbands, and other tools to promote this effort.

In order to pay for prizes, we need some funds. The Spring Ahead Membership Drive was a success last year.

In order to help our District Governors reach their membership goals, I am asking the Council of Governors' to donate \$150 per District from their operations account to this effort. Would you please vote today to fund the 2018 Spring Ahead Membership Drive?

Any unused funds will be returned to your accounts."

PDG Kathy Crawford requested the District Governors seek approval, via an email vote, from their District Cabinets to take \$100 from their escrow accounts, rather than the operation account and to send their decision, with accompanying minutes, to the MD19 Office by March 7th. The ratification of email votes, if not done before March 7th can be done after the deadline date and must also be sent to the MD19 Office. Any decisions made by districts will be kept confidential.

District Governors Corinne White, 19-H, 1st VDG Donna Oiland for 19-B and Harry Lippincott, 19-E shared a special and fun event that happened in their districts.

MD19 CENTENNIAL REPORTS - B.C AND US by PDG J.D. Nellor, Chairperson:

"B.C. Report (PDG Steve Somerset): As we should all be aware, the number of people served during the Centennial Celebrations has exceeded 200 million.

There are just over four months left in the Lions 100 Centennial celebrations. We have seen a growth in clubs participating every year, both in the Centennial Service Challenge and the Centennial Legacy projects.

There are still approximately one third of the clubs that have not participated in either category which is a little disappointing. It is also disappointing that some clubs felt that making a donation qualifies for a level three legacy project or reporting a project that clearly does not meet the criteria. It really gives a false impression of what is really happening. One club has reported its project six times as a level three legacy project.

That being said, there have been some amazing projects. As examples: a new 30-unit affordable housing project in Quesnel, B.C.; a new splash park in Chase and the rebuilding and expansion of the Westbank community hall. This building has been turned over the City of West Kelowna.

There is still time for clubs to participate. I am especially interested in the project in 19-E involving the Spokane clubs and the creation of a Helen Keller Garden that will surround a linden tree that Helen Keller planted in 1925. I realize that this is a U.S. project; however, District 19-E has Canadian clubs and has been included within the Canadian reporting. This project is being well reported to LCI as a US project. Lions of MD19 need to celebrate all of their accomplishments throughout the past four years. Congratulations!!

PDG Steve Somerset.

US Report (PDG J.D. Nellor): If you need assistance, information or Centennial Celebration help contact me at: jdnellor@comcast.net or by mail - 901 Umatilla Way, Vancouver, WA 98661 U.S.A. My home phone is (360) 696-1657; Work phone, (360) 816-2241

In general, MD 19 clubs have been doing a great job contributing to the 3 components of the Centennial challenge. Some details:

Legacy Projects

Community Legacy Projects are one of the three components of LCl's Centennial Celebration. Legacy Projects are visible gifts to our communities that commemorate the Association's Centennial and creates a lasting legacy of Lions service contributions. Throughout MD19, clubs have reported 308 completed Legacy Projects: 147 Level 1; 106 Level 2 and 55 Level 3 Centennial Legacy Projects.

Centennial Service Challenge

A second component of the Centennial Celebration is LCI's Centennial Service Challenge— LCI originally challenged clubs worldwide to serve 100,000,000 people during the four year Centennial Celebration, 25,000,000 in each of four, traditional, Lions service areas, Sight, Hunger, Youth and Environment. That goal was increased to 200,000,000 last year after Lions easily passed the 100,000,000 goal.

Today, worldwide, Clubs have reported 215,542,725 people served in the Centennial Service Challenge.

MD19 has done its part: 3,454,358 people have been served by MD19 Lions under the Centennial Service Challenge and that is with only 58% of MD19 Clubs reporting service activities on their Service Activity Reports. Here are the numbers, by District:

District	# Served	Reporting	District	# Served	Reporting
19A	142,947	38%	19F	158,839	63%
19B	146,524	53%	19G	709,065	47%
19C	722,352	82%	19H	612,937	62%
19D	380,984	56%	19I	213,236	57%
19E	266,474	56%			

Membership Drive

The third component of the Centennial Service Challenge is the Centennial Membership Drive. There are two parts to the membership challenge: New members and new clubs.

In MD19, 3,836 new Centennial members have been inducted and 11 Centennial clubs have been chartered, since the Challenge began. The details, by District are:

District	Members	Člubs	District	Members	Clubs
19A	581	4	19E	478	1
19B	254	0	19F	318	1
19C	592	3	19G	371	1
19D	391	0	19H	483	1
19I	368	0			

I continue to encourage all Lions to go to the LCI website (www.lionsclubs.org) and click on the 'Lions 100' link at the top of the main page. Then click on the 'Toolbox' link. You will find brochures, press release, banners, logos, advertising, billboard art, that are useful in showing off and raising public awareness of your clubs, and LCI. And best of all, all of these resources are free and available for download. Centennial merchandise, (shirts, cups, and what–not), is also available through the 'Member Center' or the 'LCI Shop' links as well.

Yes, we are nearing the end of the Centennial Celebration— there are less than five months to go until we start a new campaign for a new century. But (it's that glass half–full thing), there are still five months to go! My thanks to all of the Clubs in MD19 for the great work they have done in their communities throughout the Centennial Celebration.

A special thanks to all the District Centennial Coordinators, Canada and U.S.A.: PDG Rita Fok, 19A; PID Anne Smarsh, 19B; PZC Bob Johnson, 19C; PDG Norma Bent, 19D; PDG Kim Di Rienz, 19E; PZC David Heath, 19F; PDG Doug Hall, 19G; PDG Al Stobbart, 19H and PDG Brian Phillips, 19I. I know how challenging it can be to get the word out to the Districts and the Club and then to get the reports back! Your efforts have been much appreciated!"

OLD BUSINESS

PROGRESS AND PLANNING COMMITTEE UPDATE by VCC John Kirry (Oral Report):

Just a little history on the Progress and Planning Meeting. It started out as two meetings a year, with three district groups, BCG, DEF and AHI, who would meet with their Leadership Team, Zone Chairpersons and Membership Team for an all-day "meeting" in which they could discuss any common problems happening in their districts and ways to solve them and then going on from there. It eventually evolved into the Kick-off and Half-time Meetings and then to one – the Progress and Planning Meeting. This was due to having a shift in our convention schedule and the change in the shift in when the District Governor's needed to have goals and action plans in place.

We are continually receiving a great deal of feedback on this meeting and what came through loud and clear was that a form of networking was needed, that they wanted to be able to "get together" to discuss the issues they were facing but didn't want to have to travel to attend these extra meetings. Plus, on the Multiple District level we were told by some individuals that we came off as a little preachy when they were sent all the items that they were to discuss when they wanted to talk about other stuff.

At the Annual Convention in Surrey, B.C., ten individuals (the Progress and Planning Committee) got together and hammered out the kind of format we'd like to have in order to satisfy what is still a requirement according to our Policy Manual. We decided to have a meeting at our training session as that is when the principals are there, the incoming District Governors, Zone Chairpersons and 1st and 2nd Vice District Governors. We'll have a town-hall style of meeting where they'll let us know what they want to discuss instead of us telling them what they need to talk about.

This meeting will occur on Thursday, right after the Council of Governors' meeting, which will end at 2 pm, and before the start of the training. This way the assembled people are going have opportunity to talk and network amongst each other.

So, we are going to try this type of meeting and see where it leads. It may become the new format or it may become something else entirely. Right now its main thrust will be networking, with discussion on solving Lion's issues that come up in our districts.

The Multiple District budget pays for your Governor Team (Zone Chairpersons, DGE and 1st and 2nd VDG) so your district escrow budget will have to pay for mileage and hotel and meals for those people you are asking to come in addition to those already in attendance. Those would be your District's Global Leadership, Membership and Service Team members. So that could be three extra people that your district will be required to help pay for and that would require a vote from the district cabinet.

Further discussion was had on funding these additional attendees to the meeting by way of going through the MD19 Service and Leadership Foundation. Can the Foundation do this? A grant application can be written, complete with information on what the monetary request is for, who the recipients of funding will be and a budget on how the funds will be used. It would be preferred that the application came from the Multiple District since it is a first-time request and does fall under leadership and service. DG Wanda Carisse, with assistance from the District Global Action team, will put together the application request for funding. The request will be for one year.

NEW BUSINESS

There was discussion as to whether or not the MD19 contingent will be walking in the International Parade while in Las Vegas. The current consensus is not to, but MD19 has until June 1, 2018, to let International know if MD19 will be participating in the parade. Even if MD19 decides not to participate in the parade it would be highly recommended that attendees wear the parade uniform. A concern raised is can the application to walk in the parade be sent in and then later cancelled if MD19 finds another option? This will be explored.

PDG J.D. Nellor has been working on a new MD19 Website, which was presented at the meeting on Friday afternoon. J.D. would appreciated being contacted with any suggestions or ideas to make the site better.
