

Lions of BC Hearing Conservation Society Committee Report

Date: September 28, 2017

By: Surinder Gahir, PCC

Council Chairperson Jon, fellow Cabinet Members, Lions, Lioness, Leos and guests greetings.

Lions of BC Hearing Conservation Society is working very hard to provide a one-of-a-kind service to our communities; making it easier to communicate with one another, making life a little better for those who cannot afford hearing aids.

We offer new hearing aids with three-year warranty and batteries to clients. We still offer 'Refurbished' hearing aids however very few takers.

The three hearing aid providers we have a contract with are:

NexGen Hearing

Connect Hearing

HearingLife Canada

This year so far we provided 59 Hearing Aids to deserving clients.

Most Clubs are still collecting used hearing aids for recycling. We sort and sending them to Island Deaf & Hard of Hearing Center for them to use or recycle.

My friends, we remain deeply grateful for all your help. Our web site is being updated and will be off line for a short time. For any information please send me an email at governor.gahir@gmail.com

I want to thank all the Lions clubs members, District Governors, Zone Chairpersons and the Hearing Chairpersons for supporting and promoting this great organization.

Respectfully submitted.
