

## Budget and Finance Committee Report

Report By: PDG Brien Patton, Budget & Finance Chairperson

Date: 10/08/17

Normally at this time we would report on the Accountants report for the year that ended June 30<sup>th</sup> 2017, but we will not be doing that as we haven't received that report yet, as soon as we receive it we will get it to the Council.

You will find the budget for this year attached, as you can see we are very early in the year and there hasn't been much happening yet. At the Winter Council in February we will review the budget and propose any changes that need to be made.

Respectfully Submitted

PDG Brien Patton

Budget & Finance Chairperson
