

MD19 Youth Exchange Foundation Committee

Report by: George Robison, Chairperson

Date Report Sent: October 4, 2021

For two years there have not been any Youth Exchanges, therefore no scholarships have been presented and there has been no need to purchase paraphernalia for youth. The only activity has been associated with the occasional reminder to some clubs to include a donation in the club budget, along with some individual urging for donations.

Part of the funds that have been in CDs with a bank in Canada have been placed into CDs in a bank in Washington State.
