

MD19 Annual Convention Report

The MD 19 Annual Convention committee has been giving lots of TLC to this event. Marcia, the registrar is editing each and every registration form with a practiced eye because this isn't her first time at this job.

Steve, the treasurer is counting and recounting the moneys as they arrive. He loves making reports, so watch out for him.

Dianne, the raffle diva is gearing up to give everything away! What a fun job! Meaghan and Lori, the Fun Night pros have bingo cards, heads or tails game, and a super DJ scheduled. Don't forget the theme: "**Hattitude, Bring it on!**" and keep your eye out for prizes.

Wenatchee's Mayor and the President of Wenatchee Central Lions Club will both welcome you.

Wenatchee Valley Lions will greet you and distribute your registration packets. Watch for apples, apple treats, apple candy, apples, apples, got it?

Saturday afternoon is when you can tour Miss Veedol at Pangborn Memorial Airport to learn about the first non-stop flight across the Pacific from Misawa, Japan to E. Wenatchee, WA

Saturday's banquet comes to you with a twist. Glitter shoes are expected & white coats are not!

I'm exhausted just writing about "**Simply the Best**" convention ever!!
