### **It's Still Possible to Register for Convention:**

- ✓ Regular Registration open until July 10, 2025 \$265

### **Reserve Lodging:**

You may register for any convention hotel that suits your fancy. We will not have an “assigned” hotel in order to allow everyone to determine what best meets their needs. Do consider looking at other ways to reserve lodging than just thru Lions International hotels listed on the convention website.

### **Get Your Name on the MD 19 Roster:**

Email [shelley-staudinger@comcast.net](mailto:shelley-staudinger@comcast.net) to be added to the MD 19 roster--- Due to privacy obligations to members, Lions International does not provide the MD with a list of convention registrants. PID Alan Hunt has offered to help get a roster but please let me know you're signed up so I can add you to convention communications such as What's App and Facebook groups launching later this spring.
