

MD 19 Lions Youth Exchange Committee Report

We are making progress with the MD19 Youth Exchange Camp for the Summer of 2024! Our summer camp will be held June 26th - July 5, 2024 at the Seattle University Ballard Lions Youth Camp on Camano Island, and in Leavenworth thanks to the support of the Leavenworth Lions! Our Summer Youth Exchange camp has increased in opportunities for the students by the continued support of Lions and Leo clubs in our district.

Our Winter camp was successful as we hosted 3 students from Australia and Italy to enjoy winter in the PNW. Their experiences and feedback will help us make each camp experience better than the last.

Currently we have seven students traveling to Australia this summer as representatives for our district. What an incredible opportunity for them to become global citizens! To help support these students, and our foundation, we are hosting a dinner auction May 4th 2024 during the [Wenatchee Apple Blossom Festival](#). Following the parade, we will be having a dinner auction at the Wenatchee Valley Museum. After the parade come and enjoy great food and entertainment, all while supporting our youth.
