

## **MD 19 LEO REPORT**

February 7<sup>th</sup>, 2026

Council Chair and Council,

LEOS continue to be a hot commodity.

We are seeing much more involvement of Leos in our Clubs, in our Club Projects and at our Conventions. CONGRATULATIONS LIONS and WAY TO GO.

Leos exude enthusiasm and energy. They bring encouragement to Lions who have lost a little of their spunk. Leos make it okay for us Lions to be silly and laugh out loud.

Although it seems my life lately has been rather overwhelming, I'm hoping to get back out there and visit more Clubs, share how amazing Leos are and what value they bring to a Lions Club.

We need to increase the number of Leo Clubs but in order to do that, we need more Lions Clubs to be open-minded to sponsoring a Leo Club.

I can promise every Lions Club that sponsors a Leo Club, that they will quickly realize the benefits of being open to welcoming Leos. Leos have been known to help with improved mental health, enhanced social health and increased overall happiness.

Give Leos a chance, sponsor a Leo Club.

Respectfully Submitted,  
2025-2026 MD19 Leo Chairperson
