

MD19 Constitution and By-laws Report

Report by: PCC Larrie Taylor, Chairperson

Date Report Sent: September 26, 2016

The vote at the Convention at Pasco last October to hold the Annual Convention in the autumn necessitated a number of amendments to our Constitution and Bylaw. The amendments included those of substance to amend the voting for the positions of the MD 19 Council Chairperson and the Vice Council Chairperson and also included some amendments which may be described as housekeeping.

I submit this report on behalf of the Constitution and Bylaws Committee [PCC Rod Barnes, PDG Dave Risley, PDG Kay Metz, PDG Sandy Conroy, PDG Terry Ostlund, PZC Carol Conley, and ZC Rob Loch].

I thanks members of the committee for their contributions. I especially wish to thank PCC Al Beddows and PCC Gary Reidel for the many hours they devoted to the task. I wish to make special mention and extend my thanks to our EST, Patty Allen, for her many suggestions and exhaustive review of the various drafts of the amendments.

The Council of Governors at their May meeting recommended that the proposed amendments be approved.

Since the May meeting two items have been identified that required changes

1. Article IV. Section 3 .b Line 8- the word "scrutinizer" should read "scrutineer".
2. Article XIII BL. Section 4.a.3. Line 2 – the word "evil" should read "rule".
