

1- “The Power Behind the Magic: Mastering the Role That Makes a Club Work.” – Lion Micheal Contreras & Lion Brian Scott – **(Saturday afternoon 2:30-3:40) Gala 1-2**

Every great Lions club runs on clarity, communication, and consistency—and at the heart of it all is the Club Secretary.

You are the connector, the communicator, and the keeper of continuity.

Join us for a dynamic MD19 Training Panel designed to elevate your impact and simplify your role.

Learn how to:

- Streamline club operations and records with confidence
- Strengthen communication across your club and district
- Support leadership teams with clarity and precision
- Create organized, efficient, and transparent processes
- Turn information into action
- Effective communication is not just a skill—it is a leadership advantage that strengthens relationships and drives results... when the Secretary thrives, the club thrives.

Your work supports service in all areas—because behind every successful service project is strong administration... You don't just record history—you help create it.

2- “Lead with Purpose. Serve with Impact.” – Lion Brian Scott **(Sunday morning 10:50-12) Gala 1-2**

Step into leadership not just as a role—but as a calling.

As a Club President or Vice President, you are more than a meeting facilitator—you are the architect of service, the builder of culture, and the spark that ignites impact in your community.

Join us for an energizing MD19 Training Panel designed to equip you with the mindset, tools, and strategies to lead boldly and serve effectively. Explore how you can:

- Inspire and retain members through meaningful engagement
- Lead dynamic, productive meetings that people WANT to attend
- Build strong teams that move from **forming to performing**
- Navigate change with confidence and vision
- Align your club with global impact while meeting local needs

This experience strives to build on leadership foundations that drive successful clubs—communication, teamwork, and adaptability.

Remember: The strength of Lions lies in **collective action**. When you lead well, your club becomes a force for good....your leadership determines how well your club responds to community needs.

Join us for an interactive session designed to take you from overwhelmed to empowered in the Lion Portal. You'll learn how to:

- Navigate the system with ease
- Submit reports quickly and accurately
- Access key data to support decision-making
- Manage membership and service activity efficiently

The Portal isn't just a system—it's a **leadership tool** that helps your club stay aligned, informed, and impactful. **Confidence in the Portal = Confidence in Leadership**

9- Session 2: “Data to Impact: Using Lion Portal to Tell Your Club's Story” – Lion Michael Contreras **(Sunday afternoon 2:15-3:25) Golden Del**

Every service project tells a story. The Lion Portal ensures that the story is seen, measured, and celebrated. Join this advanced session to transform how your club uses data to amplify impact.

Discover how to:

- Track and showcase your club's service achievements
- Align reporting with global service priorities
- Use data to inspire members and attract new ones
- Strengthen accountability and transparency

Lions Clubs International thrives because of structured leadership, strong reporting, and a shared purpose—core elements of successful clubs. When you report your service, you become part of a global movement of kindness and action.

If it's not reported, it's not counted. If it's counted, it multiplies impact.
