

LCIF – US Report

Report by: PDG Joan Hunter

Sent: October 6, 2016

During the 2015-16 fiscal year, more than 44 million U/S. dollars was awarded in LCIF Grants. Lions helped millions of people worldwide through these grants, which were made possible through your generous support.

This year one of my goals is for every club to make a donation to the Lions Club International Foundation. Clubs who achieve this will be recognized with the LCIF 100% Club Participation Certificate.

We play a unique role that is different from other non-government organizations. While other organizations provide assistance for a designated period, Lions stay on after implementing our programs. We are still there after others have departed.

New membership Program:

Donations of \$20.00, \$50.00 or \$100.00 can be made towards a Melvin Jones Fellowship, or a Progressive Melvin Jones, for an individual Lion, LEO, Lioness or a citizen. Individuals that wish to receive a Melvin Jones should explain to their friends and relatives what a Melvin Jones Fellowship is and why they want one, and encourage them to make a donation in their name. As an incentive, the club with the highest per-capita donation, who has participated in this new program will have a donation of \$100.00 US made to LCIF in their name by LCIF Coordinators PDG Joan Hunter and PCC Polly Voon.
