## Leadership Corner

By Debbie Bostock, MD19 GLT

As the Lions' year ends, many of you have been entrusted with newly elected positions within your Clubs, Zones, or Districts. This is both an honor and a responsibility, and the question stands: Are you prepared to lead?

MD19 is committed to equipping leaders with the tools they need to succeed. Support is available in a variety of formats to suit individual needs, including:

- One-on-one mentorship sessions
- Classroom-style workshops
- Self-directed learning opportunities

For incoming District Governors, Vice District Governors and Global Action Team members, MD19 hosted an intensive day of seminars focused on team building and skill development. The incoming Zone Chairpersons had a day and a half of seminars to help make their year a success.

If you are an incoming Club Officer, such as Club President, Secretary, Treasurer, or Membership Chairperson, there are numerous courses offered by LCI. These sessions can be found in the Lions Portal under Training. These sessions are tailored to ensure you have the knowledge and confidence to excel in your role. The manuals are available for all these positions on the MD19 website under Toolbox – Learning. They are a great source of information, download them to your computer/laptop for easy access.

Leadership preparation goes beyond individual training — it involves strategic club planning. Clubs are encouraged to hold planning sessions in June or in early July under the guidance of the incoming Club President. These sessions are crucial for aligning goals, setting priorities, and fostering collaboration among members.

Additionally, budgeting is a key aspect of club management. Incoming Club Treasurers should convene their Budget teams and begin drafting a financial plan for the upcoming year. The MD19 website hosts a comprehensive Club Treasurer Manual that can provide invaluable guidance and innovative ideas for managing club finances effectively.

## MD19 Council Chairperson

### Patty Allen-White

The blank page stares back at me as I attempt to write this "Swan Song Council Chairperson Article". The reality that the words "thank you" is not large enough to express what I feel about this year and about you, MD19 Lions. So many of you have been willing to reach out to say "Yes!" and help along the way. Humbly and sincerely, I say, "Thanks for all your help and for the memories".

I'm thinking that the best way to end a journey is to begin another. I'm following your positive lead and saying, "Yes" to a new challenge. I will be filling a spot in the list of MD19 Committee Chairpersons by becoming the MD19 Contests and Awards Committee Chairperson. I believe in this program, so I figure it's my turn to try my hand at leading it. I've been hearing the names of several District Contests and Awards Chairpersons, and I'm thinking this could be fun!

Let's all be looking for Lions Clubs and Leo Clubs that are doing interesting service or fund-raising projects. Encourage club members, Lions and Leos, to create a 5-minute achievement talk to share about these projects at the District Conventions. I just heard of a Lion that picked up an idea listening to one of the 5-minute talks at his/her spring convention and is now chairing that very project in his/her area on the other side of the district! Bonus! Even though it turns out that it wasn't selected as the winning talk, it was still a great idea and project! As DG Beth James keeps telling us, "Give 'em something to talk about!"

Governors, and Vice District Governors, keep collecting names in your little notebooks of Lions, Leos and Clubs that deserve to be recognized. It is a privilege to hand out recognition to hard-working volunteers **who are making the world a better place to live. We sure do need more people like that.** Good reason for increasing our membership, right?

Council Chairperson Elect Steve Brooks, have a great year with your team: Teresa, Steve, September, Donna, Roger, and Vice Council Chairperson Elect Wanda. Glad to hear you are feeling better, PDG Steve, so you can perhaps run for the office of the Vice Council Chairperson next year.

I look forward to working again with one of the most forwarding-thinking, creative, energetic groups of District Governors ever to lead the Lions Family in MD19: Kevin, Chuck, Beth, Les, and Tammy. You left a positive mark on your Lions and Leos and me. Thank you for your leadership and friendship. JD, you really do rock as a parliamentarian.

### Service Project

Late Friday afternoon the Penticton Lions is promoting a "Send Kids To Camp Walk." We are hoping to raise money during the walk to pay for kids' registrations to Easter Seals/BC & Yukon (BC Lions Society for Children with Disabilities) - Camp Winfield. Camp Winfield, here in the Okanagan, is one of the adopted camps of District I. The walk will be from the Convention Hotel to the historic SS Sicamous and back along the promenade on Okanagan Lake. It will also be an opportunity to promote the work of the Penticton Lions and the other clubs in District I.

### FUN Night

We will really be "Roaring Thru The Twenties". Period costumes are encouraged and there will be prizes for best dressed. The DJ has planned appropriately themed music throughout the evening and there will be a "Charleston" dance contest too! Don't know the Charleston ... check it out on Google. Hors d'oeuvres will be available later in the evening.

We are looking forward to having many Lions and their guests join us to experience a great convention and the beautiful City of Penticton in British Columbia, Canada.

## Kindness Matters Award

To: DG Chuck Robinson and the Global Service Team  
 KINDNESS MATTERS AWARD  
 Submitted by Past President Lynda Devenish  
 Fairmont & District Lions Club  
 October 18, 2024

Fairmont and District Lions Club received a donation of nine acres of land, designated recreational and over the past eight years it has become the Lions Wilder Memorial Park, with picnic tables, Memorial Garden and trees, volleyball court, soccer field, pickle ball courts and now a Lions Community Garden.

In June of 2023, Vice President Joy Smith called a meeting of Fairmont residents to see if there was any interest for a community garden. Twenty community members arrived and offered their support. Lion Joy offered to chair the project and the Lions agreed to support the initiative.

The Radium Community Garden members, shared their knowledge on the garden they had built. The Lions fundraising through recycling and the Golf Challenge would help but more funds would be needed. Lion Joy prepared a costing sheet and applied for an available grant and that was accepted so plans were underway for a spring 2024 construction.

Early spring meetings were called with the community, laying out the garden plans and looking for donations. A culvert was donated as well as lumber and gardening tools. As soon as the frost was gone the well was dug, fence posts installed and boxes were being built.

The Fairmont community is to be congratulated because they came out in force (about 40) working out of the kindness in their hearts, helping the Lions, constructing boxes, walkways, a gazebo and a tool shed. It was very heart warming to see the community pulling on the wire for the construction of the deer fence.

The garden which is wheelchair accessible with high boxes, was completed in fourteen months with all boxes planted and producing vegetables and flowers. There is a children's garden to teach them about growing food. The boxes were free this year but will have a fee for next spring to offset maintenance expenses. On July 22nd, the community was invited to the park for a BBQ to celebrate the grand opening of the Lions Community Garden and the Lions Pickle Ball Courts which was last years project completed this July. Guest of honour, RDEK Director Susan Clovechok said, when people see a project completed well and on schedule, they know who to award the grants to. The total cost of the garden was \$28,000 with \$50,000 in-kind.

The garden is presently being put to bed for the winter. There is a waiting list for boxes and there are plans for art classes for kids making gnomes, fairy houses, bird houses, etc. and the Invermere Library's Story Time in the Park. The Lions Community Garden has proved to be a place for meeting and socializing as well as growing vegetables and flowers.

The Fairmont & District Lions Club, who with the help of our forty plus community members, have created a legacy Lions Community Garden and would like to apply for the Kindness Matters Award. We have had nothing but positive comments from our community regarding the Lions Community Garden and the Lions Park in general.

**Leadership Article- continued from page 1**

Leadership is not only about fulfilling responsibilities—it's also about inspiring confidence and delivering results. Remember, the Lions who chose you for your position did so based on their trust in your abilities and character. Now is the time to honor that trust with dedication and excellence.

Above all, take pride in your role and enjoy the journey. Being a Club, Zone, or District Officer is a fulfilling experience that allows you to make a meaningful impact within your community and beyond. Lead with passion, responsibility, and creativity, and let this year be a testament to your capability as a Lions leader.

Together, we can make the upcoming Lions Year an unforgettable chapter of service and growth.

**Funding of MD19 Border Crossing:**

The salary for The Border Crossing editor is partially funded by a grant from the MD19 Lions Service and Leadership Development Foundation. This is an example of your leadership dollars at work in the Multiple District.

**"Friends of the Garden"** donations are always welcome from individuals or Lions Clubs. The Garden at MD19 office can't exist without contributions. Encourage your Club to budget annual support (\$1.00 per member would be spectacular!)
