## Meet the Candidates

During the District Conferences, Lions will have the opportunity to vote for the Multiple District 19 2018-19 Council Chairperson (CC) and the 2018-19 Vice Council Chairperson (VCC). It is also the election time for the District Governor's (DG), 1st and 2nd Vice District Governors (1VDG & 2VDG), and potentially other District related changes. There will be separate ballots and boxes for the CC & VCC candidates, these boxes will remain sealed until the end of voting at the final District Conference of the year.

The candidate for 2018-19 Council Chairperson is current VCC John Kirry who shared this information with us:

If we haven't met, my name is John Kirry. I am the current MD19 Vice Council Chairperson and I'm seeking your vote for the position of MD19 Council Chairperson. Due to scheduling conflicts, I may not be able to attend all nine district conferences, so please accept this short message as a brief introduction, and see more information on my club website at [www.gigharborlions.org](http://www.gigharborlions.org).

I joined the Gig Harbor Lions Club in 2005 and have been privileged to serve my community as a Lion. A few things to know about me:

- I created the Sully Hat Project on behalf of the LCIF One Shot, One Life measles campaign. My talented committee, using a US Airways Captains hat signed by Sully Sullenberger, raised \$184,000 for worldwide measles eradication.
- I am a Past President and current Senior Advisor to the Executive Committee of the Northwest Lions Eyeglass Recycling Center.

## The Greatest Leader

By PDG Bob Ayotte, MD19 GLT Leadership Coordinator

*"The greatest leader is not necessarily the one who does the greatest things. He is the one that gets the people to do the greatest things." Ronald Reagan*

On Facebook, I follow a public group called GLT-Global Leadership Team. Quite often a discussion point is brought up, eliciting comments from the participants. Recently, moderator Robert Libin asked the questions: "In your opinion, what is Leadership? What makes someone a Leader?"

Some of the responses dealt with a version of Ronald Reagan's quote above: "A leader is someone who demonstrates that which is possible, and inspires others to exceed the probable." Dr. Patti Hill; "A true leader is one who leverages the capabilities of his team, coaches, motivates and inspires them to succeed." Miriam Vasquez; "A leader convincing someone that they have something special inside of themselves to help achieve a worthy goal." PCC Hal Palmer.

So, what theme do all these observations have in common? They are not about the leader, but the affect great leaders have on others. What can you do to become a great leader? Start by believing the word "TEAM" does not contain the letter "I". I know this is an old cliché, but how can you inspire others to do better, if you place yourself at the forefront, not giving recognition to others? Giving inspiration comes from motivating, mentoring, guiding, caring, engaging, and listening. When great leaders make people feel good about themselves and the organization, those people give of their best and perform as part of a team.

What else can you do to be a great leader? Use your elected position: people will follow because they have to. Use permission: people will follow because they want to. Use production: people will follow because of what you have done for the organization. Use guidance: people will follow because of what you have done for them personally. Use example: people will follow because of who you are, what you represent and how you made them feel.

Inspire your Clubs to volunteer to serve their communities to make a great place to live. Inspire your Communities to provide for those who cannot help themselves and to lift them up from where they are. Inspire your Country to continue to meet humanitarian needs and to continue to encourage universal peace. Inspire your Friends to promote international understanding and diversity.

**Lions, go out and be a great leader.**

## MD19 Council Chairperson

### Jon Whitman

Hope this finds all of our Lions in MD19 doing well. It is great news to hear that District Governor Bill Karcher (19-G) is home and continues to improve. District Governor Greg Vicars (19-B) had been improving, but recently suffered a setback. Our thoughts and prayers need to go out to Lion Greg and his family. Thoughts and prayers should also go out to any other of our Lions family who may be sick or in distress. Some sad news recently was the passing of two fine Lions, Past District Governors Joan Hunter and Barbara Dower. Our thoughts and prayers go out to their families.

The holidays are behind us and it is time to be thinking about the spring conferences. Also, the "Spring Ahead" membership drive is scheduled to begin in February. Clubs should be making plans for an open house or some other type of membership drive, as this is what continues to make our Lions organization strong.

I hope that all of the Districts have their First and Second Vice-District Governors lined up. The candidates for Zone Chairpersons should also be lined up, as it would be great to see all zones filled for this next year. These positions are very important for the health and well being of our Multiple District and your district as well.

The second half dues have been sent either by e-mail or by standard mail. If your club has not received notice of dues owed, please contact the MD-19 office. Remember that the dues notices are for the second half period for both Lions Clubs International and the Multiple District. Governors, the multiple district dues affect your operations account. In order to use that account, your lions clubs must pay their dues.

## WALK ON DIABETES

By Crystal Walk, Governor 19-F

LCI Forward is LCI's 5-year plan spanning 2016-2020. The primary goal of the plan is to "respond to growing needs worldwide and improve the lives of at least 200 million people per year through humanitarian service – tripling our impact – by the year 2020."

One of the plan's over arching strategic initiatives is to take on Diabetes as a new Humanitarian Cause. While the cause is being launched at the 2017 International Convention in Chicago, new Diabetes programs are promised to be rolled out at the 2018 International Convention. According to LCI, "The World Health Organization estimates that over 422 million people worldwide have diabetes, a growing world epidemic that is expected to affect over 642 million by 2040" and "people with diabetes are at risk of losing sight due to diabetes eye disease. It is the leading cause of new-onset blindness in many countries. All people with diabetes – both Type 1 and Type 2 – are at risk."

Everyone has a relative or friend who is struggling with Diabetes... some just don't yet realize that they have it. Too often Diabetes goes undetected until severe health complications arise, including loss of vision. Prevention and early detection are needed to combat this growing health concern.

As Lions, we can continue to be "Knights of the Blind" by combatting Diabetes. We can expand our service to our communities, our friends, our neighbors, our families, and our worldwide family. Through this strategic initiative we have the opportunity to serve more people, and the opportunity to invite more people to help us serve.

Please watch for new information coming from LCI this year to learn of ways to aid in serving this Humanitarian Cause.

Governor Crystal joined Lions in 2009. She served as Club President, Secretary, Treasurer and Tail Twister. In 2014-15, she served as Zone Chairperson and received a Zone Chairperson Excellence Award. She has been involved with Scouts, Sister City Program, and the Walla Walla County Fair. She is active in church and in her spare time, she enjoys painting, artistic activities, cooking, singing and dancing. She is married to Past District Governor, Dave Walk (19F 2016-17).

## Meet the Candidates

A brief introduction: My name is J.D. Nellor. For the curious, the "J" stands for John and the "D" for David. I answer to all kinds of things, some of which are printable.

I am a member of the Vancouver Lions Club, in Vancouver, Washington USA, which I joined in January 1990. I have served in every Club office except Lion Tamer and was the Club President in 1998-99 and 2006-07. I built and have managed the Club's website ([www.vancouverlions.org](http://www.vancouverlions.org)) since its inception, and was the chairman of the Vancouver Lions Club Golf Tournament from 1998 to 2010. I have been my Club's Lion Of The Year 8 times, and I am a Melvin Jones fellow.

- I served as the Parliamentarian for the MD 19 Council Of Governors in 1997-98, and am currently serving as the MD19 Centennial Coordinator for U.S. clubs.
- In District 19G I was 2nd Vice District Governor in 2013-14, 1st Vice District Governor in 2014-15, and District Governor in 2015-16.
- I have also served on the District 19G cabinet as Retention coordinator, on the Constitution and Bylaws committee, and as the District Bulletin editor.
- Master of ceremonies at several Spring Conferences and a presenter at numerous District training events, including club officer training, throughout the District.
- A Certified Guiding Lion and a member of the MD19 Faculty Development Team, I graduated from the Advanced Lions Leadership Institute (dubbed "The Winds Of Change") in March, 2014.

I met my wife of 36 years, Susan, the summer between my junior and senior years in high school (tennis lessons!). Susan became a Vancouver Lion the year I was District Governor, but has been de facto Vancouver Lion, an active participant in Club projects and activities, for many years. We have been blessed with two great daughters, Stephanie and Barbara. Our oldest daughter, Stephanie, is married to Anthony Zoeller, Stephanie and Anthony are Vancouver Lions!

I do have a day job: I am an attorney at law and operate my own office in Vancouver ([www.nellorlaw.com](http://www.nellorlaw.com)). I was the managing partner a large local law firm for 15 years before starting my own office. I consider myself a general practitioner, but the focus of my practice in recent years has been on business reorganization and chapter 11 bankruptcy cases. I also serve as a neutral in mediations and other forms of alternative dispute resolution. I have been a certified neutral in the United States District Court for the Western District of Washington and in the United States Bankruptcy Court for the Western District of Washington.

dren, I have served on the Board of Directors since it was formed in 1996. Also since 1996, I have served as an Area Captain for the Clark County Interservice Walk And Knock food drive in Clark County, Washington.

And in my spare time: You might catch me chasing a ball out of the trees on a golf course or getting a line wet on one of our many area streams. If you are real lucky, you might even catch me from time to time playing tenor saxophone, clarinet, or even a WX-5 electronic wind instrument in a band at various local charitable events.

Now that the Ho Ho season has passed we can hope that spring is just around the corner except that white stuff keeps showing up.

All clubs should now be thinking of upcoming elections.

Lioness always have BIG hearts, but too often we underestimate the power of a smile, a touch, a kind word or a listening ear, maybe an honest compliment or the smallest act of caring. All of these have the potential to help turn a life around. So let's keep smiling!

## SALT SPRING ISLAND Lions Club

By Lion Evelyn Smith

Last December was a very busy time for the Salt Spring Lions Club members. Things are back to normal now and Club members are busy with the weekly garage sales and developing new projects for 2018. When the Club ended the "Adopt-a-Highway" program, we wanted to find another way for school groups to earn money, so we created the "Adopt-a-Senior" program! The requirement to get funding from the Program is a commitment of at least five students and one adult for two Fridays in a row visiting a Senior from 2-4pm. During these hours the students will participate in crafts, reading, singing, bingo, bowling or just chatting. In 2017 we ran six groups giving over 145 hours of visiting the Seniors and this had only been up and running for six months!

Our 2018 year is fully booked and we have increased our budget for this successful program which will be giving over 400 hours of visiting time to Greenwood Seniors Residence!

### MD19 Lions Youth Exchange

During December and early January there were nine youth from Australia visiting in MD19 and they were hosted by 14 different Lion families. Now we need to plan for this coming summer and several Youth Exchange visitors from Europe. They can't complete their plans until host families are found, and will need to make travel arrangements by April and arrive during July for a six-week visit.

Two applications are in hand and at least four more are expected. In hand are applications from a girl and a boy from Germany. Additional inquiries have been received from Finland and Italy. At this time, we are looking for hosts throughout MD19 so that the youths can visit both in Canada and the U.S.

If you would like to receive information about the program and the youths, contact PDG George Robison at [georgerobison@centurytel.net](mailto:georgerobison@centurytel.net) or 253-853-2721.

### 2018 NW Lions Leadership Institute

The NW Lions Leadership Institute will take place at the University of British Columbia, Vancouver, B.C. from 10 - 13 May 2018.

All Lions interested in a truly enjoyable, intensive leadership training experience are invited to apply. There are sixty student slots available, and they are filling up. A fee reduction is available for all MD19 students in the amount of \$200 to assist with the total \$350 cost which covers lodging, lunches and dinners, and all class materials. Session topics include: Goal Setting, Public Speaking, Member Motivation and several more.

More information can be found at the Institute website, [www.nwlli.org](http://www.nwlli.org).

On-line registration and payment are also available via the website. For questions, please contact the Superintendent Mike Peterson at [mjpeterson2.1@juno.com](mailto:mjpeterson2.1@juno.com).

### Celebrating 28 Years of Chip In

The 28th Annual Chip In for the Kids Christmas Tree Recycle on January 6th and 7th was a huge success.

Residents of Greater Victoria, Sooke and Duncan donated almost \$18,000.00! A big thank you to all of our amazing sponsors, volunteers and supporters!

Here we have the Esquimalt Lions doing their part for the BC Lions Society for Children with Disabilities.

## Vital Information

The MD19 Second Half Dues statements were emailed January 9-10, 2018 to Club Treasurers or Secretary/Treasurers. If no email address available, they were mailed January 8th. Dues are based on the December 31st membership total or from the most recent WMMR received at LCI. If your club has not received an MD19 dues statement, please contact the office ASAP – [md19admin@lionsmd19.com](mailto:md19admin@lionsmd19.com) or call 360-733-4911.

**Secretaries and Treasurers:** Check the MD19 Website ([www.lionsmd19.com](http://www.lionsmd19.com)) under “Stats” to make sure your dues were received and posted. At the same time, check the “Clubs Owe” Column. Make sure your club was credited or charged for any membership changes reported on January WMMR. If you already paid your dues and you dropped members in January, a credit will appear as a minus number in that column. If there is a balance owing because you added new members on your January WMMR, you do not need to pay that balance owing to be current. Those dues will be incorporated into your next MD19 dues statement.

### District Spring Conferences/Conventions:

The delegate/alternate voting Certification forms:

- Have already been sent to Lions Club Secretaries in District H
- Clubs in Districts D and F will be sent their forms in late February

Secretaries, watch for them; if you do not receive your voting certification forms at least three weeks prior to your District Conference, please call the MD19 Office and request replacements. Club Officers for the Lions year 2018-2019 should be elected prior to April 15th. Your PU101 (International) must be completed and received by LCI AND the MD19 Office on or before May 15th. Instructions for doing the PU101 online with your clubs’ MyLCI site can be found in the MD19 Contests and Awards Book. An AWeber notification with the instructions will also be sent in March.

## The Centennial Celebration Continues!

LCICon 2018 will be in Las Vegas, NV, June 29 – July 3. Come celebrate Lions 101st Birthday with Lions from around the world. It will be an amazing experience! Don’t wait until the last minute - registration fee from January 13 through March 31 it’s \$200 and after that the fee is \$225.

Purchase your **official MD19 cowboy** hat now. You can get the hat at the MD19 Office in Bellingham and at your District Spring Conference **IF** you order from the MD19 Office and ask that it be delivered at the conference.

It’s worth taking the hat to the convention. Many Lions will want to trade hats or other items of their uniform for your hat. It’s very popular. You will also need the **red MD19 vest, white shirt, white slacks or skirt, white shoes and an MD19 bag** if you are planning to carry anything with you in the parade. Start asking around to see if you can borrow someone’s vest and save some money. You must have the official MD19 Parade uniform including the hat to walk in the Centennial Parade this year.

## DID YOU KNOW?

Lions Clubs and Leo Clubs operate under the same guidelines when it comes to public funds. The net earnings of income raised from activities open to the public contributions, bequests and money accumulated from invested public funds must be used for the benefit of the public and community in which the Lions or Leo Clubs serve. As Lions we are entrusted with the proper use of public funds and as sponsors of Leos, our job is to help them follow the same guidelines.

Administrative expenses or internal club expenses such as meeting room rental, convention registration expenses, postage, paying mileage for visitations, or parties for club members must be funded out of the Administration Account.

Both Lions and Leo Clubs should have both types of accounts: an Administration Account and a Public or Community Account.

You can go on the LCI Website and print the Use of Funds Policy, the document can be found here [http://www.lionclubs.org/resources/EN/pdfs/use\\_funds\\_policy\\_faq.pdf](http://www.lionclubs.org/resources/EN/pdfs/use_funds_policy_faq.pdf). It is found in the Board Policy Manual Chapter XV, Section B. The LCI Policy Manual Chapter XXII Section A regarding the Leo Program provides these same guidelines. When asked about Leo funds raised from the public, the Legal Department directed us to the Association's use of funds policy as well as the FAQ.

When Lions Clubs donate to a Leo Club for administrative expenses, the funds must come out of the Lions Clubs administrative funds. When the funds donated are to support one of the Leo Club's outstanding service activities, the Lions Clubs donations may come out of their Public or Community Account.

It can be presumed that the same guidelines apply to Lioness Clubs, LCI Legal Department had not responded to the query by the time this went to print.

## Passport to fly domestically? What Washington residents need to know

By: Ashli Blow, KIRO 7 News Digital producer  
Updated: Jan 16, 2018 - 6:25 PM

SEATTLE, Wash. - For years, Washington residents have expressed confusion over whether their driver's licenses will get them through Transportation Security Administration checkpoints in the near future. The concerns stem from a complicated federal law passed after the 9/11 terrorist attacks to bring better security at airports, and Washington state is still working to get into compliance. So what does this mean for residents?

Simply, read the answers below to learn exactly what you need to get on a plane. Then continue reading the Q&A about the REAL ID act and how Washington is working toward a fix.

- 1. I'm a Washington resident with a Washington state license, what do I need to get on a domestic flight right now?**  
Just your driver's license, either standard or enhanced.
- 2. What do I need to get on a domestic flight in 2018 and 2019?**

Again, just your driver's license, either standard or enhanced.

### 3. When do rules change?

Enforcement for the new law starts in 2020, according to an extension granted to the Washington State Department of Licensing on Wednesday. After enforcement starts in 2020, the state's standard licenses will not be accepted by TSA. However, TSA will accept Washington's enhanced driver's licenses. Many residents in state already have these. If you're not interested in an enhanced license you, you can still board with other documentation — such as a passport, passport cards for domestic flights, a permanent resident card or military ID.

### 4. Will people be turned away after October 2020?

People using a standard licenses without additional documentation will not be allowed to pass TSA. Enhanced driver's licenses will be permitted to enter.

### 5. Are you sure something doesn't something change in 2018?

Here's what will be new: Standard licenses issued this year will be marked to indicate they are not REAL ID compliant and not acceptable for certain federal purposes. But, according to the DOL, even with that new mark, standard IDs will be an acceptable form of ID for domestic travel until enforcement begins in Oct. 2020.

### So, what is the deal with REAL ID?

Congress passed the REAL ID act in 2005 in an effort to strengthen identification rules at airports. The 9/11 Commission recommended it to the federal government to set standards for how source of IDs — such as driver's licenses — are issued. The act established minimum security standards for state-issued driver's licenses. Under the law, state driver's licenses and ID cards have to be issued only to people who can prove they are legally living in the United States. If state licenses don't meet the standards, then federal agencies — such as the TSA — will not accept them. The Department of Homeland Security will start enforcing the law in October 2020, but they have given a series of deadlines to states to get in compliance. Washington State was just given a new extension deadline of October 2018 to get into compliance. But DHS has indicated that states that have been granted an extension will not be subject to REAL ID enforcement at airports or federal facilities until October 2020. The Washington Department of Licensing expect to be in full compliance with the REAL ID act by fall 2018.

## CARE

By PDG Erma Kemp  
MD19 CARE Chairperson

FEBRUARY is the month for showing our LOVE for others. Why not make a special donation to CARE?

The under privileged girls living in rural & urban areas of southern Peru would appreciate your support. Our donations will help them with further education and can help them have a better life. We all know how important education is.

This the perfect month for your Club or District to honor someone by giving them a Gordon F Smith Fellowship. This can be done by donating \$500 to CARE. I am so Proud to wear My CARE pin.

Your club will earn a CARE banner patch when the club donates \$5 or more per member.

I would like to encourage every club to put CARE as a line item in your budget and to make a pledge yearly. This is a very painless way to make your donation. Our Council of Governors will be looking at a new project for next year as the need is always there. So lets All get behind our current project.

### **District Governors:**

CHALLENGE your clubs as you visit them. Your District Conference is a perfect time to give out some Gordon F Smith Fellowships! Honor Someone Today!
