B. INTERNATIONAL AWARDS

Every year Lions Clubs International allocates Presidential and International Leadership Awards to multiple districts based on their total current membership count. These two Awards are in addition to the **International President's Certificate of Appreciation** whose recipient(s) is nominated by the District Governor and is presented at the Spring Conference. The Presidential and International Leadership Awards are traditionally presented at the Multiple District 19 Annual Convention or a District Conference. The current or most recent International Director sends the nominations to Lions Clubs International.

1. No Member of MD19 will be awarded more than one Presidential Award and one International Leadership Award in a lifetime when being recommended by the committee (Section 4) from MD19. The maximum number of awards submitted to Lions Clubs International in any one year from MD19 is determined annually by Lions Clubs International as is the number of awards that will be given to Lions of Multiple District 19.

The Presidential Award shall consist of a medal and a chest ribbon of a design approved by the International President and shall be accompanied by a suitable letter. To be nominated for this award the nominee(s) must have served for a minimum of five (5) years promoting and/or providing leadership and/or service to a District(s) and/or the Multiple District. The Council Chairperson may not be nominated during his/her term of office. The Leadership, Extension, Membership, Public Relations, Retention, Special Events Coordinator and Leadership Training Chairpersons are excluded because their expertise and vision are needed to recognize and encourage their fellow Lions for their roles of leadership rather than collecting honors themselves. The Council Chairperson is the recognized elected leader by the Lions in the Multiple District and

as such is expected to perform at a high level of competence. The International Presidential and Leadership Awards are very honorable awards and need to be used to encourage, inspire, spotlight, and recognize leadership in our individual districts.

3. The Nomination Process

A nomination for an International Presidential or Leadership Award may be made by the following individuals: the current District Governors, Council Chairperson, MD19 District Support Team, MD19 Executive Secretary/Treasurer, and the current International Director or most recent Past International Director. A list of MD19 Lions who have received these two medals in the past will be given to the District Governors Elect at their school and will be emailed to those listed above by September 15th.

The completed TYPED nomination forms must be received in the MD19 Office on or before October 31st. Late entries, verbal nominations and nominations without summaries of the nominee's history of service will not be accepted. A Lion will only be considered for the specific medal for which that person was nominated.
