

VOTING CREDENTIALS
JUNE 4, 2022 MD19 LIONS ELECTION

This email was forwarded to you by your Lions club's secretary or president because you were selected by your club to be a delegate to vote in the MD19 special election on June 4, 2022.

This email is your credential to vote in the June 4, 2022 election.

Do not share this voting credential with anyone else. Do not give the access code or the password listed below to anyone else.

If you can not vote on June 4, 2022, contact your club secretary or president so she or he can assign your voting credential to an alternate delegate selected by your club.

Your club secretary or president received the correct number of voting credentials for your club, one credential for each club delegate. MD19 does not know what delegates have been assigned which access codes or passwords by your club secretary.

Voting is being conducted online by an independent voting service called ElectionBuddy. You do not have to go anywhere to vote. You may vote from any device— a computer, smart phone or tablet. You may vote from anywhere— you do not need to vote from any particular email address (email and email addresses are *not* used in the voting process) nor do you have to disclose who you are or from where you are voting. Delegates in the same household can vote from the same device. All you need to vote is your Access Code and Password, both of which are unique.

Only one vote can be submitted for any Access Code and Password combination.

Proxy voting is not permitted in LCI or MD19 elections.

To vote:

1. Click on this link — <https://lionsmd19.org/convention-2022-06.php> — or log on to the MD19 website at <https://lionsmd19.org/index.php> between 8:00 A.M. and 8:00 P.M. on June 4, 2022 and follow the links to the MD19 Convention page.
2. Click on the “VOTE” button below the image of the stage on the MD19 Convention web page. You will be redirected to the ElectionBuddy voting booth for the MD19 election.
3. Enter your unique Access Code and Password.
4. Enter your vote.
5. Confirm your vote.

ElectionBuddy will then send your club secretary a receipt that shows your access code and password voted. The receipt does not disclose how you voted.

CERTIFICATION

By clicking on the “VOTE” button and entering your Access Code and Password on the ElectionBuddy site, you certify:
