Member of the Clark County/WSU Master Composter Program

Clark County Sight

East Well Community Garden in Camas Wa

OTHER PERTINENT INFORMATION

Big believer in giving back to the community in whatever way works for the individual. Can be through an intentional origination, or through city hall, or simply by helping those neighbors in need.

I also believe strongly that service should fun, as well as rewarding.

DO YOU HAVE ANY HOBBIES OR COLLECTIONS (I.E. RECORDS, STAMPS, GARDENING, GOLFING, ETC.)?

I've been an amateur photo shutter bug since high school. Also a rock hound, and a home brewer.
